Sept 7th, 2023

Dear President Stuart Adams,

Serving in the Utah Legislature for the past 11 years, four years in the Utah House of Representatives and seven in the Utah State Senate, has been one of the greatest honors of my life. We have tackled some very difficult problems and have accomplished many great things. We still have many challenges to face, but I know, as Utahns working together, we will continue to succeed, and our future remains bright.

As Utahns, we rightfully pride ourselves on a part-time legislature and it's one of the reasons Utah is the best managed state in the nation. But, with that comes the very real challenge of balancing public service with a professional career. At the first of the year, I had a significant change occur in my employment, which has made my ability to maintain that balance and serve effectively in the legislature very difficult. As such, to allow myself to focus on my career and providing for my family, please accept this notice of my resignation, effective Oct 15th, 2023.

I leave with an immense sense of pride for the accomplishments of our legislature and caucus and am grateful for the small part I've been able to play. I will cherish my time serving my constituents, serving with my colleagues and the deep friendships that I have made. As I step away, I am confident that someone great will step forward with dedication and enthusiasm to serve this great district and State.

With sincere appreciation,
