

2026 HOUSE MAJORITY

POLICY PRIORITIES

Cost of Living

Lowering costs for Utah families & ensuring taxpayers see real value for every dollar spent.

Reining in Property Taxes

Reduce property taxes & strengthen taxpayers' voices on local increases.

Cutting Taxes

Provide over \$200 million in tax relief due to responsible state policy.

Lowering Gas Prices

Take steps to lower gas prices for Utahns.

Keeping Homeownership within Reach

Expand homeownership opportunities & strengthen Utah communities.

Strong Families

Reducing costs and barriers to raising a family so Utah families can thrive.

Supporting Families

Reduce costs, making it easier for Utahns to have and raise a family.

Protecting Children

Set common sense guardrails on how businesses use AI with kids.

The Utah House Majority Caucus is leading with common-sense, conservative solutions. **We are putting families first** by keeping cost of living low, helping students excel, and strengthening public safety. Together we will invest in Utah's long-term strength, make government more accountable and fiscally responsible, and safeguard the natural resources we all depend on.

Limited Government

Protecting Utah's economy with balanced budgets & smart investments.

Cutting Government Spending

Encourage every level of government to cut waste & focus on what serves Utahns best.

Mitigating Federal Uncertainty

Return control to the states to use federal tax dollars more affordably & efficiently.

Infrastructure

Building Utah's future through infrastructure that lasts.

Powering the Future

Lower energy costs by streamlining nuclear permitting & planning for power needs.

Securing Critical Minerals

Establish key partnerships to make Utah a leader in critical minerals.

Reducing Traffic

Invest in transportation statewide so Utahns spend less time in traffic.

Accountability & Transparency

Restoring confidence through transparency, accountability & a commitment to serving the people.

Restoring Our Representative Democracy

Give Utahns the chance to restore the founders' balance & keep laws shaped by elected leaders, not outside interests or courts.

Enhancing Election Integrity

Take additional steps to secure our elections & increase transparency.

Transparency in Government

Every piece of legislation, committee hearing & vote is available to the public. Follow the process at le.utah.gov.

Judicial Accountability & Accessibility

Improve judicial transparency & increase access to court records so Utahns can hold judges accountable.

Water

Protecting one of Utah's most vital resources for years to come.

Tackling Infrastructure & Insufficient Water Supply

Invest in water infrastructure & storage to ensure reliable supply for generations.

Protecting & Restoring the Great Salt Lake

Expand water conservation tools & strengthen partnerships to protect the Great Salt Lake.

Public Safety

Maintaining Utah's high quality of life by keeping our communities among the safest in the nation.

Addressing Homelessness

Work with local partners to streamline homeless services & help fund what works.

Keeping Utahns Safe

Prioritize public safety with strong criminal justice resources & prison capacity for dangerous offenders.

Education

Preparing the rising generation to lead with knowledge, integrity & innovation.

Achieving Academic Excellence

Expand student & parent choice, including CTE, & ensure school funding goes directly to student learning.

Reducing Classroom Disruptions

Ensure school tech is a learning tool – not a distraction, address absenteeism & restore effective, fair discipline in our schools.

Better Returns on Learning in Higher Education

Fund results, support research & keep Utah higher education affordable & tied to workforce needs.
