Declaration

Whereas, Utah's technology sector is a cornerstone of our state's economic prosperity, contributing more than \$25 billion to our GDP and growing by 12 percent over the past five years;

Whereas, we are committed to a pro-human approach to innovation, ensuring that rapid advancements in technology, including artificial intelligence, are designed to empower our workforce and enhance human flourishing;

Whereas, Utah continues to lead the nation as a premier destination for tech founders and entrepreneurs, providing a world-class infrastructure that supports tens of thousands of high-paying jobs;

Whereas, the month of February serves as a vital time for Utah's industry leaders, educators, and public partners to convene, bridging our innovation economy with our local communities to build a durable future for all residents;

Now, therefore, I, Spencer J. Cox, governor of the state of Utah, do hereby declare February 2026 as

Tech Month in Utah
